Available colours:

Product can be supplied  
palletised with either  
54 units on 3 layer pallet or  
90 units on 5 layer pallet

Rose snaps over fill point to  
retain the rose when not in use which  
keeps the rose secure with the can  
and prevents anything entering the  
can that will block the rose

Easi carry and pour  
using two handle design
